Allianz 222[®] Annuity

Product characteristics	The Allianz 222 Annuity is a fixed index deferred annuity that offers a premium bonus and an interest bonus credited to the Protected Income Value. It also offers lifetime income payments that can increase and double to help pay for clients' care.
Premium	Initial minimum: \$20,000 qualified and nonqualified Additional premium accepted through first three contract years
PIV bonuses	Clients can receive two bonuses credited to the contract's Protected Income Value (PIV). First, a 15% premium bonus will be credited on any premiums in the first three contract years. Next, an interest bonus equal to 50% of any earned fixed and/or indexed interest will be credited for as long as they have the contract. To receive the Protected Income Value, including any premium bonuses and interest bonuses, clients must hold their annuity in deferral for at least 10 contract years and begin receiving lifetime income withdrawals between the ages of 60 and 100. They will not receive the premium bonus or potential interest bonuses if the contract is fully or partially surrendered, traditional annuity payments are taken, or if the Protected Income Value rider is terminated.

Purchasing an annuity within a retirement plan that provides tax deferral under sections of the Internal Revenue Code results in no additional tax benefit. An annuity should be used to fund a qualified plan based upon the annuity's features other than tax deferral. All annuity features, risks, limitations, and costs should be considered prior to purchasing an annuity within a tax-qualified retirement plan.

Bonus annuities may include annuitization requirements, longer annuitization or surrender charge periods, higher surrender charges, lower interest rates, lower caps, higher spreads, or other restrictions not included in annuities that don't have a premium bonus feature.

Guarantees are backed by the financial strength and claims-paying ability of Allianz Life Insurance Company of North America.

Distributions are subject to ordinary income tax and, if taken prior to age 59½, a 10% federal additional tax.
